LabelTac® Pro 2

\$1,099.00

PART # LTP2

Easily print indoor and outdoor labels 1/2" to 4" wide with the LabelTac® Pro 2 industrial label printer. This new model has upgraded ribbon capacity, so you won't need to stop and change the ribbon often. It also features easy supply loading to eliminate downtime and make printing faster. This printer's streamlined design means it will fit into your workspace and can be used out on the work floor without getting in the way. The LabelTac® Pro 2 is also simple to use. Connect it to your PC with USB or ethernet and design your labels using one of a variety of software options. You can also select one of many included templates as a starting point. The LabelTac® Pro 2 comes with a full lifetime warranty.

- **FULL LIFETIME WARRANTY**
- Compatible with supplies from 1/2" to 4"
- Upgraded ribbon capacity (3x that of the LabelTac® 4)
- Streamlined design
- Easy supply loading
- Simplified die-cut detection
- Connect to any PC using USB or built-in ethernet

Enhanced Connectivity

Easily print from the LabelTac® Pro 2 by connecting to any PC with USB or the printer's built-in ethernet.

Automatic Die-Cut Detection

The LabelTac® Pro 2 can automatically sense when you're using die-cut labels, preventing wasting time or labels trying to align your die-cut supply.
